

MIAMI COUNTY COMMISSIONERS  
25 N BROADWAY  
PERU, IN 46970  
February 6, 2023

Commissioner Hunt called the regular meeting of the Board of Commissioners to order. All Commissioners were present.

### JAIL DEMO

Eric Woodmansee, AME Consulting provided an update to the board regarding the old jail demo. Mr. Woodmansee stated he is working on the permitting process with the Board of Works and will provide plans to the City of Peru on the layout of the new parking lot. Kreager Group has stone lined up for the parking lot, but has not completed the work because of weather. Commissioner Hunt stated he is still waiting on the 3<sup>rd</sup> quote for brick work. County Attorney Steve Downs stated if they do not receive the 3<sup>rd</sup> quote in the next week, to work from the 2 bids already received.

### HIGHWAY

Highway Superintendent Kerry Worl presented the following bore request for approval:

BSNR 22-00323

APPLICATION FOR PERMIT  
BURIED \_\_\_\_\_ FACILITIES

City, Indiana  
Date

TO THE HONORABLE BOARD OF COUNTY  
COMMISSIONERS OF Miami  
COUNTY, INDIANA

Project Number  
Area

We hereby make application for a permit or for permission to place all necessary  
1-2" duct and coax by directional bore \_\_\_\_\_ as will be necessary and proper to be  
done along and adjacent to the county highway, being a part of the highway system of  
Miami County, Indiana, and especially along the following  
location: \_\_\_\_\_ along the Northeast side of N Mexico Rd

Sketches of drawing showing the exact location, dimensions, depth of trench or  
distance from the main portion of the traveled highway, and a print of the same is to  
be furnished by us.

The purpose of such work is as follows: UG duct placement by directional bore, place 1-2" duct and coax at a  
minimum depth of 48". Boring Northeast, along N Mexico Rd approx 20' and installing a power supply.

If this application for permit is granted, we hereby agree to place the portion of the  
highway or the part adjacent thereto in as good condition as it is now, and to backfill  
any trench or opening 1) by thoroughly tamping the granular backfill in layers not  
exceeding six inches deep or 2) as noted on the accompanying sketches, and to  
maintain the surface which has been disturbed in a smooth and uniform condition  
for a period of six months after the work is completed.

We further agree to indemnify the County of Miami against any claims for injury of  
damaged to persons or property and to execute a bond conditioned to pay such  
damage if required by your Board.

We further agree to notify the Miami County Highway Department in writing five  
days in advance of the time of beginning the work done under this permit, and to  
mail a copy of this notice to its local superintendent; also to notify the local  
superintendent either by telephone or fax the day preceding the beginning of the  
work.

We further agree to move or remove any structure, equipment, lines, other items or  
appliance owned by the applicant installed under this permit should future conditions  
or road improvements necessitate, at no cost to Miami County, Indiana and as directed  
by the Board of Commissioners of Miami County, Indiana.

Commissioner Musselman made a motion to approve the bore request as presented. Commissioner Weaver 2<sup>nd</sup> the motion and it passed 3-0.

Highway Superintendent Kerry Worl presented the following bore request for approval:

1/17/2023

Miami County Commissioners  
25 North Broadway Street  
Peru, IN 46970

Re: Letter of Understanding/Unofficial Detour  
HMA Overlay Preventive Maintenance  
SR 124 from SR 19 to 7.32 Miles East of SR 19  
Small Structure Replacement  
SR 124 Carries Unnamed Tributary of Wabash River, 5.91 Miles East of SR 19  
Contract: R-41121, Des No.: 1800552 & 1900083

Dear Commissioners,

INDOT will be resurfacing SR 124 and replacing one small structure within the resurfacing project limits as referenced above. This work is scheduled to begin as early as Summer 2023.

SR 124 will be closed for construction of the resurfacing and small structure replacement projects thereby creating the need for a road detour. INDOT will have an official detour over state roads as shown on the attached map (Exhibit B).

Since the official detour is on the state highway system, an unofficial detour has been identified per contact with Miami County Highway Superintendent, Kerry Worl. The unofficial detour will be CR 500 S to CR 550 E to Mississinewa Dam Road to CR 675 E returning to SR 124, as shown on the attached map (Exhibit A) and is in accordance with IC 8-23-21.

INDOT will set up and maintain the necessary traffic control for the official detour or arrange with others to furnish the necessary items. The unofficial detour route will not be signed as any type of detour. Miami County will be responsible for signing any weight restrictions on the unofficial detour.

INDOT agrees to reimburse Miami County for costs related to damages on the listed unofficial detour, but reimbursable work must be approved by INDOT prior to the beginning of any work. All reimbursable expenses must be documented.

Once the District has agreed to the documented expenses, INDOT and Miami County must execute an agreement that indicates the documented expenses. This should be done after the INDOT detour is eliminated.

Indiana Department of Transportation  
Contract R-41121

Commissioner Musselman made a motion to approve the bore request as presented. Commissioner Weaver 2<sup>nd</sup> the motion and it passed 3-0.

Office Manager Hughes submitted a request for additional appropriation for \$100,000 from Cum Bridge to cover the cost of bridge inspection. Commissioner Musselman made a motion to approve the request to go before the Council for an additional appropriation for \$100,000 from Cum Bridge. Commissioner Weaver 2<sup>nd</sup> the motion and it passed 3-0.

Highway Superintendent Kerry Worl opened the annual bids for 2023. They were as follows.
